Elementary, Middle, and High School Special Education Teachers:
Count Day procedures for the October 2, 2019 Student Count

Timeline: First Draft on Monday, September 9, 2019
Second Draft on Monday, September 23, 2019

J. Smolke
8-27-19

Monday, September 9, 2019: Each Special Education teacher will receive their first DRAFT copy of their count sheet to review and make corrections to send to Beth Darga by September 12, 2019.

Monday, September 23, 2019: Each special education teacher will receive a second DRAFT copy of their count sheet from Beth Darga. As case manager it is your responsibility to review the count sheet and provide an update by September 26, 2019.

NEW! No IEP meetings to be held during the week of September 30 – October 4, 2019.

Please review for accuracy for students enrolled on your caseload. Remember a student must be enrolled, physically attending school, and have a schedule.

If you notice a student on your caseload that has been "missing" it is your responsibility to follow up with the general education teacher, attendance secretary, building administrator, counselor and parent.

If the student has dropped or is enrolled in another district but is still on your caseload, you need to inform Beth Darga immediately. Be prepared to provide a drop date to Beth. If there are errors/corrections needed including IEP amendments, you need to make your corrections and contact Beth by Friday, September 17, 2019.

Areas to Review: Caseload teacher name, Program Code Number (Resource Room is 194, RI is 140, CI is 120, and ECSR is 191) Building Code, Grade Level, and SE Certification. **NEW!** In the resident district section, highlight any codes that don't begin with "44".

The next step is to review the SE FTE hours on the count sheet. This information **MUST** align with the students IEP program time and their schedule.

Wednesday, October 2, 2019: Each special education teacher will receive their final count sheet from Beth Darga. Again, review the information in reference to the above areas to review. The **ONLY** changes should be if a new student enrolls on count day or drops on count day. If all is accurate and correct, you need to sign in blue or black ink, date Wednesday, October 2, 2019, and return to Beth by Thursday, October 3, 2019, by Noon.

Please do not just place in the mail and think your responsibility is complete.

This process will be complete when our department has physically received your individual, signed, count sheet and has been approved by Beth and/or Jennifer. We will provide you with confirmation that your portion is complete.

Thank you for your cooperation and understanding in the special education reporting of student count.

5-H Reduced Schedule Pupils

IEP REDUCED SCHEDULE

- **Special Education Pupils Placed by an IEP Team in Less than a Full Day of Instruction** - Special education pupils are to attend the same number of days and hours as are required of any pupil to be counted for a full FTE. The IEP team may shorten the school day for a pupil with disabilities on an individual pupil basis. If the IEP team shortens the day for a medical or emotional reason, the pupil is eligible to be counted for 1.0 FTE. The medical or emotional reason shall be documented in the pupil's record or IEP.
- The documentation supporting such a placement must be provided by a licensed physician as defined by Section 17001(1) of 1978 PA 368, MCL 333.17001(1).
- **IEP Reduced Schedule Due Process** - Prior to placing a pupil on a reduced day due to emotional or behavioral issues, the district is required to consider the use of positive behavioral interventions and supports, as well as other strategies when developing the pupil's IEP when behavioral issues impede the pupil's learning or that of others. 34 CFR § 300.324(a)(2)(i).
- The IEP team must consider the district's obligation to ensure that the pupil receives a Free Appropriate Public Education (FAPE) by providing special education services to meet the pupil's unique educational needs in conformity with an IEP developed using procedures set out in the IDEA. 34 CFR §§ 300.17 and 300.101
